LR 69
LB 344A

it's my privilege to welcome forty 4th Grade students, one teacher, North Park Elementary School, Columbus, Nebraska, teacher Katherine Nyffeler, and Sid Gustafson an aide, in the north balcony. Will you raise your hands so we can see where you are? Over here. Okay. In the south balcony from Senator Schmit's district, eighteen 4th Grade students and one teacher from Bellwood. That town is familiar, Bellwood Elementary School, Bellwood, Nebraska, Laverne Meister, teacher. Where are you in the south balcony? Welcome. Mr. Clerk.

CLERK: Mr. President, a new resolution offered by Senator Warner and others. (Read LR 69 as found on Pages 1691 and 1692 of the Legislative Journal.) Mr. President, that will be properly laid over. Senator Simon moves to place LB 461 on General File pursuant to Rule 3, Section 10. That will be laid over.

Mr. President, a communication from the Governor addressed to the Clerk. (See Page 1692 of the Legislative Journal.)

SPEAKER MARVEL: Is that all?

CLERK: Yes sir, it is.

SPEAKER MARVEL: 344A is the next bill.

CLERK: (Read LB 344A by title.)

SPEAKER MARVEL: The Chair recognizes Senator Stoney.

SENATOR STONEY: Mr. Speaker and members of the Legislature, LB 344A is being offered in conjunction with the Nebraska Clean Indoor Act. This minor appropriation would be necessary with the passage of this bill. It would provide the Department of Health, since they are designated in the bill, as the agency to adopt and promulgate rules and regulations, to hold hearings in conjunction with this bill, to adopt rules and regulations and then notify those that would have to be in compliance. So I would move its advancement to E & R Initial.

SPEAKER MARVEL: The motion is the advancement of 344A to E & R for Review. All those in favor vote aye, opposed no. We're voting on the advancement of the bill to E & R for Review. Have you all voted? Have you all voted? Number 344A. Record. No. Do you want to place us under Call? The machine is closed.
